

LV Business Protection and Multi Benefit plans now available on LifeQuote

Liverpool Victoria business protection and Multi Benefit plans can now be quoted and applied for via the LifeQuote system. Here is some information from LV about their business protection products:

LV=are committed to protecting and supporting UK businesses, through a range of **Business Protection** products which are easy to recommend, and are backed up with quality support and service when it's needed most.

What you'd expect from a reputable Business Protection provider - and more

- **LV= give you access to specialist sales, underwriting and service teams**
All LV= account managers have received comprehensive Business Protection training, meaning they can instantly help with any questions you might have. They also have specialist Business Protection underwriting service teams to support you and your clients with every case. [Find out more](#) about their experts
- **A range of easy-to-use online tools**
LV+ have developed a range of calculators to help you:
 - [reveal the risks of a key person suffering a critical illness or dying before retirement](#)
 - [valuing a business](#)
 - [work out an appropriate amount of cover](#)
 - [equalise premiums](#).

These are easy-to-use, can be accessed on the move (on your tablet or phone) and can generate a personalised report for your client. [Try out the tools](#)

- **Jargon-free client support**
Use our easy-to-understand sales aids to support your client conversations. These include [Key Person cover](#) and [Share and Partnership Protection](#) customer videos.
- **Exclusive LV= Business Care**
All business owners get access to our free legal advice line, covering business and commercial law. Your clients will also benefit from our tax and VAT experts. Visit the website for more information on [LV= Business Care](#).
