

Max IP Benefit Upgrades

From today the LifeQuote Income Protection quotes services will calculate on the following basis for these insurers to run alongside updates that we were made to Aviva recently.

Aegon – 55% up to a maximum of £12,500

AIG – 60% of the first £25,000 and 50% on everything over up to £12,500

The Exeter – 60% of the first £100,000 and 40% on everything over up to £10,000

Legal & General – 60% up to £60,000 and 50% on everything over up to £16,666. Please note this is currently only applicable for single benefit plans.

For all other insurers where quotes are based on a fixed percentage we will continue to request this. Full details for all insurers can be found on the Detailed Provider Comparison Chart.
