LV= Doctor Services
Remote GP, Prescription Services
and Second Opinion.
Simple, convenient and at no added cost for
all new personal protection customers.

[Find out more](#)

LV= Doctor Services gives your client access to three expert medical services in one app. All they have to do is download the LV= Doctor Services app to their smartphone or call 0333 577 7105 to get quick and convenient access to a leading network of over 5,000 UK doctors and specialists whatever their medical concern, wherever your clients are.

The app and the three services are delivered by LV's partner, Square Health. They're an expert medical service provider with a network of over 5,000 UK medical professionals, who are highly experienced, GMC registered (General Medical Council) and based in the UK.

For more information contact your LV= BDM or click [here](#).

Best regards,
