

Legal & General Updates to CIC Policies

We've strengthened our customer support with a new critical illness offering

Find out more visit legalandgeneral.com/cicresourcecentre

Legal & General have updated their Critical Illness policies to include services from Red Arc.

The services include serious illness, disability or bereavement support, Second Medical Opinion, mental health support, carer support, Help at Home and Eldercare.

The updates also include access to Legal & General's GP24 which provides a round the clock virtual GP that can be accepted by phone, Skype or an app.

The GP services are available to policy holders and their family with unlimited consultations.

Legal & General have also developed a [Content Hub](#) where advisers can access supporting documents and information relating to the Critical Illness policies.

For further information please contact the Adviser Support team on 01243 791199.
