

AIG Instant added to LifeQuote

We have now added AIG Instant onto the LifeQuote Portal, allowing you to quote and apply for this product directly through LifeQuote.

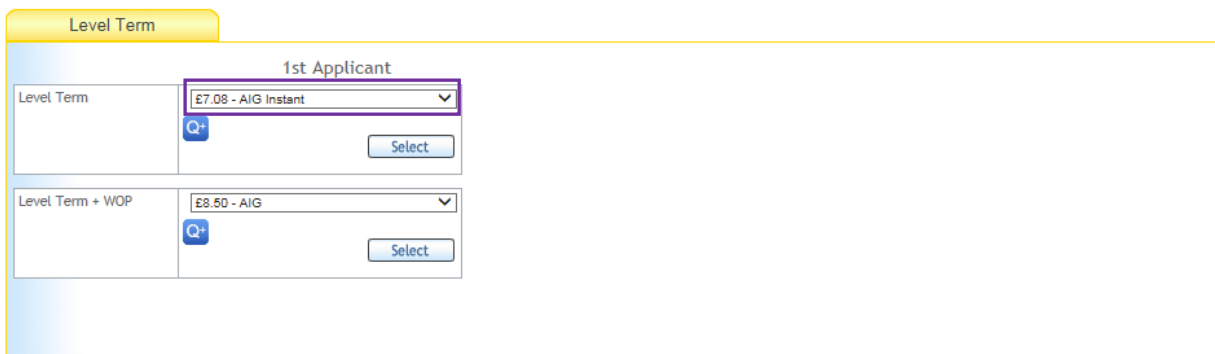

AIG launched this product in November 2017 and recently extended it to include decreasing and indexed policies.

Key Features:

- Life only low cost policy on a Level, Decreasing or Indexed basis
- Instant decision provided once submitted to AIG
- Minimum premium £3.50
- Maximum sum assured of £600,000 depending on age

Click [here](#) for more information from AIG.

To quote for AIG Instant on LifeQuote you will need to use our Multi Quote section and choose “AIG Instant” from the drop down menu.

Life company entries displayed next to a 2 digit code represent quote requests that have been rejected for the following reasons:

- TO: Quote response from the provider timed out
- NS: Quote request not sent due to LifeQuote validation
- PR: Quote rejected due to provider validation

For further information please contact the Adviser Support team on 01243 791199.
