

NEW - Royal London Add Ons

Royal London and LifeQuote have worked together to offer further flexibility with quoting on the LifeQuote Portal. We have created a new “add ons” page for Royal London quotes allowing you to amend the Total Permanent Disability and Children’s Critical Illness options.

You will now be able to update the quote after you have selected the options needed to give you a new illustration and premium.

Step 1:

Select Royal London from the quote list.

The screenshot shows a web interface titled "Level Term" with a sub-header "1st Applicant". It contains two rows of quote options:

- Row 1: "Level Term + CIC" with a dropdown menu showing "£68.73 - Royal London". Below the dropdown is a blue "Q+" icon and a "Select" button.
- Row 2: "Level Term + CIC + WOP" with a dropdown menu showing "£59.87 - Scottish Widows". Below the dropdown is a blue "Q+" icon and a "Select" button.

Step 2:

The new Add Ons page will appear showing the options available specific to the quote you have chosen. Select the options you want.
