

## AIG Launches Short Term Income Protection

AIG has launched a new 2 year payment period income protection product from 29<sup>th</sup> January 2018.

AIG wants to help bridge the gap with its income protection, offering a faster, stronger and better solution. AIG believe in most situations, Income Protection can provide an essential safety net by paying a replacement income, while helping individuals get back into the workplace earlier with a range of rehabilitation support services.

**Faster** – Recovery with a range of early intervention support

**Stronger** – Quality features with best in class benefits

**Better** – Choice for your clients menu plan

- Occupation classes 1, 2, 3 and 4
- Waiver of premium included as standard
- Free cover during underwriting – up to £25,000 per annum
- Houseperson's benefit up to £20,000
- Guaranteed benefit – if the monthly benefit is under £1,500, your client doesn't need to prove their income at claim

AIG have produced a sales aid to show the benefits of this product. Download [here](#).
