

## AEGON Quote Changes

AEGON have this week made some changes to their quote and apply system offering additional multi benefit quotes that are not currently available through quoting portals.

This includes extending the products offered within a [multi benefit](#) to include Whole of Life cover and allowing single life products to be combined within one menu plan to take advantage of the plan discounts.

Although these options aren't currently available to quote portals we are still able to process the applications through our administration service.

To take advantage of this please source the quote from AEGON directly and use our Submit Alternative Quote tool to hand the application to us.

Unsure of how this works? Watch our short video [here](#) or give our Adviser Support Team a call on 01243 791199.

GDPR is coming into affect on 25<sup>th</sup> May – click [here](#) to read about the changes we're making.
