

British Friendly Adds Car Hire Benefits

Clients can now access exclusive offers on car and van leasing with British Friendly through Tilsun Group.

British Friendly recently advised they have added car and van leasing benefits to their Income Protection policies. They're passionate about giving clients extra benefits and support they can access in sickness and in health.

British Friendly have teamed up with Tilsun Group to provide vehicle hire and leasing services as part of their Mutual Benefits programme.

BRITISH FRIENDLY

It feels good to be covered

What is the Mutual Benefits programme?

Mutual Benefits is a discretionary loyalty programme offered by British Friendly at no extra cost to members. Through the programme clients can access discounts on high street brands, book health care services, use a will writing service and much more.

How can your client's benefit from access to Tilsun Group?

Access to Tilsun Group car and van leasing adds further value for money to their policy with British Friendly along with the added bonus of:

- Reduced processing fees
- Free UK mainland delivery
- A huge choice of manufacturers and models
- Exclusive leasing deals
- Road tax included for duration of the contract
