

Legal & General Critical Illness Changes

Legal & General have made some enhancements to their Critical Illness policies with effect from 25th November 2018.

Critical Illness Cover

Improved Heart Attack definition: this now included diagnostic image testing as Legal & General have found they have become more relevant in helping to assess the diagnosis and extent of heart damage.

Critical Illness Extra

Increase in additional payment amount: this has now increased to £30,000 or 50% of the cover amount, whichever is lower.

Children's Critical Illness Extra

Increase in additional payment amount: this has now increased to £30,000 or 50% of the cover amount, whichever is lower.

Addition of Craniosynostosis: new condition added to cover children.

We are currently unable to quote for Children's Critical Illness Extra via the LifeQuote Portal however you will find details of the cost of this upgrade on Legal & General's illustrations and we are able to include it once the application has been submitted to us.

Legal & General have also removed the SmoothMove benefit from their mortgage protection policies.
