

Problems with Legal & General Multi Benefit Quotes

We have been notified in some instances that Legal & General multi benefit quotes are being displayed despite one or more of the benefits being removed.

This occurs when Legal & General cannot offer that particular benefit, for example when the term runs past the maximum expiry age.

We have raised this with Legal & General who are working hard to resolve the issue.

While we are waiting for more information about when a resolution will be in place we recommend that for any Legal & General quote you refer to the illustration to confirm all the benefits you have requested have been returned.

If you are unsure then please call our Adviser Support Team on 01243 791199 who will be able to help.
