

New LifeQuote Helpline Options

As a result of some feedback from advisers we have added some additional options to our LifeQuote Helpline numbers to help you speak to the correct department as quickly as possible.

Option 1: Adviser Support – for queries relating to the LifeQuote Portal or our administration services in general

Option 2: Case Management – to speak directly with your Case Manager or for administration related queries

Option 3: Commissions – for queries relating to commission payments or fee invoices

If you are unsure of the correct option please hold for Adviser Support.

You can also find the best contact number for your query by visiting our Contact Details page [here](#).
