

## Guardian products now available to quote on LifeQuote

From 1<sup>st</sup> July 2019 Guardian products are now available to quote on the LifeQuote Portal.

You can access their products on a single or dual life basis with the ability to add or remove Children's Critical Illness cover.

Simply select Guardian from the results list.

### Products available on LifeQuote:

- Life Cover or Family Income Benefit
- Critical Illness Insurance
- Children's Critical Illness

### Important Information

We use a standard amount of £25,000 for Children's Critical Illness but Guardian offer amounts between £10,000 and £100,000. Contact us for information on how to change the amount.

Waiver of premium is included on every quote regardless of age, product or occupation and is offered until the end of the policy.

Guardian's Payout Planner is also available through LifeQuote, please contact your Case Manager for information on how to complete this.

Applications can be completed using our Telephone Application service, by yourself online or by emailing a secure link to your clients.

Guardian do offer a range of pricing for ex-smokers, if your client is an ex-smoker between 12 months and 5 years there may be a premium adjustment on submission.
